

Know What You Owe

DIRECT PLUS LOAN

Repayment Chart

Knowing what you owe is an important part of managing your student loans. The chart below will help you estimate your monthly student loan payment so you can better manage your debt. **Interest begins to accrue from the date your loan is disbursed and continues to accrue during any in-school deferment or six-month post-deferral period. You can choose to pay the interest or have it added to your loan balance (capitalized.) Remember: the less you borrow, the less you'll have to repay.**
